16 Feb 1631	John HICKMOTT/Joan SUNNYBANKE The LDS IGI shows that a Johanna Sonibanke was baptized at Mersham in Surrey on 25 November 1607. Her parents were Charles and Joane Sonibanke. She died at All Saints at Oxford in 1673. In her will she wished 'to be buried at St Andrews Holborn, where her husband and five of her children are' (the National Burial Index shows that a Mary 'Hickmutte' and a John Hickmott were buried at New Windsor in Berkshire on 30 April 1639 and 2 March 1642 respectively). Joane left the family's estates to her only sister Elizabeth Longbaine, then a widow of Oxford. Sums of money were left to a number of nephews including Nathaniel and Thomas Chiles/Chyles. John's will, proven in 1657, states he was a gentleman then living at Clifford's Inn in London. He and	New W'sor Berk	igi

Joan were the freehold owners of Hartley Manor Farm (then called Daltons, later Hartley Wood Farm) at Hartley south of Cranbrook in Kent. They also had lands and tenements at Staplehurst and Aylesford in Kent, Mersham in Surrey, Cuddesdon near Oxford, High Onger in Essex, and St Andrews at Holborn in Middlesex. John left his estate to the couple's only son, Charles, who was born in around 1646 and died in 1668 while he was at Oxford. It seems that prior to his death, Charles may have married Mary Smith, the daughter of John Smith, at New Wickham in 1665 (see below). John also left sums of money to his 'loving mother-in-law Mistress Joane Sunnibanke', his 'sister Longbane to buy mourning', his niece Margaret Read, and to the joint overseers of his will, his brother-in-law Longbane and 'cousin Thomas of Goudherst'.

12 Jul 1636	Gorge HICKMOT/Eliz RENNOLDES The Canterbury marriage licences show that George was from Horsmonden and was around 36 years old, Elizabeth was from Goudhurst, the widow of Robert Reynoldes. Bonds for the marriage were given by Francis Hickmott, mercer of Headcorn. The Cranbrook parish registers show that a George and Elizabeth Hickmott had a son, Jonas, baptized there on 5 Dec 1647. 12 Jul 1636	Francis HICKMOTE/Elizabeth BRIDGER We think that Francis was the son of John and Anna Hickmott nee Wragley who were married at Horsmonden in 1605 and had a son, Fraunces, baptized there in 1610. The records of marriage at Canterbury show that Francis Hickmott of Headcorn, a mercer, stood bonds for the marriage of George Hickmott and Elizabeth Reynoldes at Goudhurst in 1636 (George, who was born at Horsmonden in around 1599, was either Frances' step-brother or one of his cousins). Francis and Elizabeth had three children at Headcorn before the latter's death there in 1641. Francis re-married in 1643, to Elizabeth Ellet at Headcorn. We haven't as yet found out when and where Francis died. Known children, all born at Headcorn: John (1638-40), Mary (1641-41), John (1641)	Benenden Kent	reg

	Charles was the only son of John and Joan Hickmott nee Sonibanke who owned lands and tenements in various parts of southeast England. Charles died at Oxford in 1867/8. In his will, proven in 1673, Charles was described as a gentleman of New Windsor in Berkshire. He left his estate largely to his mother, Joan, and amounts of money to his aunts Longbaine (Joan's sister) and Andrews, uncle Wiberd, and various cousins: Nathaniel and Thomas Chyles, Christopher and Edward Potter, Gerran Longbaine, Thomas Lake, and cousins Rose, Offeley, Pollington and Sunnibanke. The will also included the interesting 'Item: I do give and bequeath out of my due respect and love unto Mistress Mary Smith, daughter of Mr John Smith, the sum of £100... as a testimony of my affection to her and undeservedness of her virtues', suggesting that the marriage may not have been consummated or was challenged by the family.

Thomas was born in 1752, the second son of William and Elizabeth Hickmott (possibly nee Kemp). He died and was buried at Headcorn in 1827. The record of their marriage held at Canterbury shows that Sarah, who was then a minor, was the daughter of Thomas Weeks, a Headcorn farmer (the LDS index shows that a Thomas and Ann Weeks had a daughter, Sarah, baptized at Headcorn on 28 May 1770). Sarah and Thomas had eight children all born at Headcorn: John (1791-99), Ann (1793), Sarah (1794), Elizabeth (1795-95), Thomas (1798), William (1801), Ann (1807) and Joseph (1807). It is possible they had a daughter, Mary, baptized at Maidstone in 1810 and buried there with her mother two years later (the Maidstone registers show a Sarah Hickmott, wife of Thomas, was buried there on 27 September 1812).

09 Apr 1809	John HICKMOTT/Ann KEMSLEY (Wit: W. Mitchell, John File). The UK censuses indicate that John was born at Chatham in Kent in around 1788. The LDS index shows that a John Hickmott, son of John and Jane was baptized at Chatham on 29 June 1789 (no record of a marriage of John and Jane there). The index also shows that Ann Kemsley, daughter of Robert and Alice, was baptized at East Malling on 5 February 1791. The 1841 census shows an Ann Hickmott (50) at Gibrils Hole East Malling with Ann Harry (45) and her children Eliza (15), Ellen (10) and Amila (8). A William (30), Susan (19), Mary (17), Elizabeth (14), Henry (12) and John (8) were all together on Well Street in East Malling. The 1851 census has a John (63 year-old agricultural labourer born in Kent) and Ann Hickmott (61, East Malling) living in East Malling. John (73, Chatham) and Ann (72, East Malling) were on Well Street in East Malling in 1861 next door to their daughter-in-law Rosina Hickmott (31 year-old married gardener born at West Malling) and her three children: Mary A. The LDS IGI indicates that John and Susannah had two children baptized at East Malling – James (1813) and Mary Ann (1817). The 1841 census shows a John (50 year-old farmer) and Susannah Hickmott (25) living at East Malling. The 1851 census shows John (66) and Susan (58) living at the Rocks at East Malling. The 1861 census shows John (76 year-old carpenter born at East Malling) and Susannah (68, East Malling) still living at the Rocks in East Malling with their unmarried son James (47, East Malling). The UK National Probate Index shows that John Hickmott, late of the Rocks in East Malling and husband of Susanna, died at East Malling on 5 September 1863 (probate was paid to Susanna). At the time of the 1871 census, Susanna, then aged 78, was an inmate at the East Peckham Union House. She died in 1879, aged 86 years. Wits: Harriot Hickmott and Francis Bewlwy, We think John was born at Lamberhurst in around 1797, the son of Thomas and Elizabeth Hickmott nee Whibley. They had a daughter, Mary, at Marden in 1819 before moving to Lamberhurst where they had three more children: Charlotte (1821), Caroline (1827) and Henry (1825) (local parish chest records show the last three of their children in the Lamberhurst Poor House in 1834). The 1851 census shows the widowed Patience (54, Marden) living in the Frith Building in Eltham in Kent along with three of her children all born at Lamberhurst – Charlotte (28), Henry (26) and Caroline (24) – and a Joseph White (25, Eltham). Four years later Patience married a John Parnell in Lewisham in London. The 1841 census shows an Edward (40 year-old farmer) and Ann Munk (40) living at Great Bubhurst in Frittenden with their four children: John (20), Edward (15), William (15) and Sally Munk (13). The 1851 census shows Edward (52, Smarden) and Ann (53, Frittenden) at Bubhurst in Frittenden with two children – William (27) and Sally Ann (22) – and Edward's widower father, John Munk (73 year-old retired farmer born at Smarden) and five servants. The 1841 census has a James Hickmott (50) living on Water Lane in Maidstone with three of his children: James (20), Leonard (10) and Charlotte (8). The Maidstone parish registers show that James (56 of Water Lane Maidstone) died there in 1846. 	Stephen was probably born at Brenchley, the son of Stephen and Hannah Hickmott nee Scrace who were married there in 1788 and had a son, Stephen, baptized there in 1793. The 1841 census has Stephen (a 45 year-old agricultural labourer) and Mary (40) living at 'Hawkwell' in Pembury with their 15 year-old daughter, Mary [born at Yalding in around 1821]. The 1851 census shows a Stephen (54, Brenchley) and Mary Hickmott (52, Yalding) living at 'Hawkwell Cottage' in Pembury. They were still at Pembury in 1861. Mary died some time before the 1871 census which shows the widowed Stephen (77, Brenchley) lodging at 'Ambhurst Cottages' in Pembury. The Catherine House index shows that Stephen died in 1872. (Wit: George and Sarah Thirkell). I am assuming this the right couple since they named one of their daughters Sarah 'Thirkill' (see below). Since they named their first daughter Elizabeth Burges, I am also assuming that John was born at Frittenden in 1793, the son of Stephen Hickmott and Elizabeth Burges. The LDS index shows that an Elizabeth Pennick Thirkle, the daughter of Thomas and Elizabeth, was baptized at Benenden in 1799. The 1851 census shows John (56 year-old farmer of 24 acres and grocer born at Frittenden) and Elizabeth (52, Benenden) at Balcombe House in Frittenden with five children, all born at Frittenden: Elizabeth B. John died and was buried at Frittenden on 21 October 1861 (whereupon his son William took over the farm). The 1871 census shows the widowed Elizabeth (71, Benenden) at the home of Eleanor (31, Frittenden) and William West (32 year-old butcher born at Croydon in Surrey) at 16 North End in Croydon. The 1841 census shows William (40 year-old farmer) and Lydia (35) at Eastwood in Ulcombe with their two children – William (3) and Elizabeth (1) – and two servants: Sarah and Sophia Watts. Lydia died, aged 38, in 1842 and was buried at Frittenden. The 1851 census has the widower William (52 year-old farmer of 130 acres born at Frittenden) at Lashenden Farm with his unmarried brother James (59), tow children – William (12) and Elizabeth (10) – and four servants. 09 Aug 1835	Chas HICKMOTT/Mary Ann MAYNARD botp West Farleigh Wits: John Mainard and John Barnes. Charles is probably the son of James Hickmott and Mary Dove. He was born at West Farleigh in 1813. Mary Ann was born at Rotherfield in Sussex in around 1819 (the LDS index shows that an Anne Maynard, daughter of Edward and Mary Maynard was baptized at Rotherfield in 1819). The censuses indicate that the family lived at East Farleigh in 1851 and Yalding in 1861 (Charles' mother, Mary Hickmott, aged 77 years and born at West Farleigh, was living with them at the time) and 1871 (the three year-old Charles Day was a visitor). Mary Ann died the following year, aged 53 years. The 1881 census shows the widower Charles living by himself in Yalding. We are not sure when and where Charles died. The censuses and local parish registers show that Charles and Mary Ann had at least six children: Mary (1837, East Farleigh), Matilda (1839, East Farleigh), Eliza (1841, East Farleigh), James (1843, West Farleigh), Charles (1846, West Farleigh), William (1847, West Farleigh), Ann (1848, West Farleigh), Louisa (1850, East Farleigh), George (1853, East Farleigh), William Page (1855, East Farleigh), Eliza Matilda (1857, Yalding) and Kate Maynard (1860, Yalding). Charles probably re-married after Mary Ann's death in 1872, to a widow Sarah Parramore at Yalding in 1874. We think that Sarah died in 1880. We have not as yet found when and where Charles died. Stephen was born at Yalding in 1813 and worked as a carpenter. Harriot was born at Langley in Kent in 1816 and died at Boughton Monchelsea in 1858. Her mother was Jane Smith. Stephen and Harriot lived all their married lives in Boughton Monchelsea and had at least eleven children there: Mary Ann (1837), Sophia (1839), Jane (1840), Sarah (1845), Thomas (1847), Maria (1848), John (1850), Elizabeth (1851), Helena (1853), Stephen (1854), William (1858). Following Harriot's death, Stephen married Amelia Sunnock at Maidstone in 1865. They had no children. He died there in 1886. According to one of their descendants, John Francis Hickmott of Wellington, Stephen and Harriot's son and daughter, John and Elizabeth, emigrated from England to Christchurch in New Zealand in 1776. Their brother William came later in around 1885. While the family think that Elizabeth may have returned home, John and William remained in New Zealand.

In view of the witnesses, we think that Thomas was the son (born at Frittenden in around 1815) of Thomas and Mary Ann Hickmott nee Wraight (who were married at Frittenden in 1813). We suspect that Elizabeth died at Frittenden in 1838/9 while giving birth to the couple's daughter Emily (who died the same day – see below). The 1841 census shows Thomas (25 year-old agricultural labourer) living with his parents and siblings at Pore Farm in Frittenden. We think that Thomas later married the widow Alice Bowles in the Cranbrook RD in 1846. He and she had a daughter, Mary Ann Hickmott, before John's death at Frittenden in 1857.

Census data and the MIs for Smarden indicate that Jane was born at 'Halden' in Kent and died at Smarden in 1857, aged 40 years. The 1841 census shows Silas (35 year-old farmer) and Jane (20) living at Friend House in Frittenden with their son James (1) and a female servant, Esther Watts. - 20 Apr 1840 John HICKMOTT/Harriet JURY Maidstone mkmi  
 Marriage details on the Genealogist website show that John was a cooper and innkeeper (of the Kings Arms at Boxley), the son of Walter Hickmott, labourer. Harriet was the daughter of Edward Jury a victualler. The wedding, held at All saints in Maidstone was witnessed by Samuel Wyand and James Ruck. We think that John was born at Maidstone in around 1815, son of Walter and Mary Hickmott nee Whyman who were married at Maidstone in 1798. The UK censuses show that Harriet was born at Maidstone in 1821 (the LDS index shows that a Harriet Jury, daughter of Edward and Elizabeth, was baptized at Maidstone on 22 December 1820). The censuses and parish registers show the couple had the following children at Maidstone: Harriet (1841), Edward (1843-9), Walter (1846), John Henry (1847), William (1850), Edward (1850), Robert (1852) and Charles (1856, Boxley). John, who worked as a cooper and then innkeeper, died at Boxley in 1872 (his will was proved by his widow Harriet). Harriet continued on as innkeeper of the Kings Arms and was there in 1881 along with her children Harriet (38), William (31 year-old barman), Edward (31 year-old professional cricketer) and a grandson Albert E. Hickmott (7, London). By the time of the 1891 census William was the innkeeper of the Kings Arms and his mother Harriet and twin brother Edward (still described as a cricketer) were both living there. They were all still there in 1901. Also present were William's wife Mary Ann (42, Bentley Worcestershire) and seven year-old son, William Edward who was born at Boxley. We think that Harriet died at Maidstone in 1904 although that has still to be

confirmed.

1844	Elizabeth HICKMOTT	Maidstone	bdm
1844	Charlotte HICKMOTT/George POWDERHAM Elham RD We think that Charlotte was Charlotte Rumens Hickmott who was born at Lamberhurst in 1824, the daughter of Elizabeth Hickmott (who had two other children there: Harriet, born in 1821, and Charles Thorn in 1828). The 1851 census shows George, 32 year-old carman born in Hampshire, and Charlotte (27, Lamberhurst) living in St Leonards Shoreditch with their three children: Charlotte (6, Brandon Suffolk), Esther (4, Wing Rutlandshire) and Mary A. (1, Islington). George died in the Lambeth RD in 1860 and Charlotte re-married in 1865 to George Hibberd. The 1871 census has George (47 year-old bricklayer born at Salisbury in Wiltshire) and Charlotte (47, Lamberhurst) at 4 Cross Street in Battersea in Surrey with Alfred Powderham (16, Shoreditch), Edward Powderham (13, Lambeth), Joseph Powderham (8, Lambeth), and three Hibberd boys (Adolphus, James and Septimus). They were still at Battersea in 1881 and at Clapham in 1891. Charlotte died in the Lambeth RD in 1889. Carolyn Fenwick tells us that the death certificate says that her father was Samuel Hickmott, a labourer.	Elham RD	bdm

19 May 1844	Henry HICKMOTT/Susan TAYLOR (Parents William Hickmott [and Mary Cheesman who were married at Marden in 1815] and George Taylor). The 1851 census has Henry (34 year-old bricklayers labourer born at Marden) and Susan (33, Marden) living on Wheeler Street in West Maidstone with their daughter Winifred (12, Marden) and son George (5, B-Monchel). In 1861 they were at Longridge in Marden where Henry was working as a farm bailiff. Also present was their granddaughter Emma Jane Hickmott (1, Chatham). Susan died in 1868. By the time of the 1871 census the widower Henry, working as a beer retailer, was living on Staplehurst Plain in Staplehurst with his widowed sister Sarah Reeves (52, Marden). He was back at Marden in 1881 and working as an agricultural labourer. Still at Marden in 1891, Henry (75 year-old farm labourer) was back with his sister Sarah (now Spicer). He was in the Marden workhouse in 1901. We think he died in the Sevenoaks RD of Kent in 1907. Known children: Winifred (1839, Marden), George (1846, B-Monchel)	B-Monchelsea	igi

1845	John Vidler HICKMOTT/Sarah Maria BUSS	Maidstone	bdm
	A codicil to the will of John's grandfather John Hickmott (1763-1854) of Lamberhurst, indicates that John Vidler was the illegitimate son of John senior's daughter Sarah Hickmott. The 1851 census shows a John Hickmott (30 year-old stationer and post master born at Brenchley) and his wife Maria (29, Staplehurst) living at Staplehurst with their daughter Maria (4, Staplehurst) and a 16 year-old servant Caroline Humphrey. John and Maria were living at the Staplehurst village post office in 1861 together with their four children: Sarah (14), Jane (9), Ann (5) and William (3) all of whom were born at Staplehurst. We believe that John and his wife and at least one daughter emigrated to the United States sometime after 1861. John became the Reverend John Vidler Hickmott of Steubenville, Pleasant Lake Indiana. Known children: Sarah Maria (1846, Staplehurst), Jane Harriet (1852, Staplehurst), Sarah Ann (1856, Staplehurst) and William John (1858, Staplehurst).

<p>At the time of the 1841 census Thomas (25) was living with at Frittenden with his parents: Thomas and Mary Ann Hickmott nee Wraight (who were married at Frittenden in 1813). The censuses show that Alice Bowles was born at Boughton Monchelsea in around 1820, probably the daughter of Mary and John Bowles, a blacksmith, of Frittenden. She had a daughter, Sabina Bowles, before her marriage and another, Mary Anne Hickmott, with Thomas at Frittenden in 1846. Thomas, then aged 32, died and was buried at Frittenden in 1847. The 1851 census shows the widowed Alice (31, B-Monchelsea) living at Back Lane Cottage in Frittenden (two doors away from a John and Elizabeth Bowles). With Alice were her two daughters – Sabina Bowles (10, B-Monchelsea) and Marian (4) – and Richard Baker (69, Frittenden), a lodger. Note that the census also showed Alice Bowles (32 year-old widow born at Boughton Monchelsea), visiting the widow Mary Bowles (72, B-Monchelsea) at Boughton Monchelsea. They were on St Leonard Street West Malling in 1861 with Harry (12), Sarah (10), Thomas (9, East Malling), George (5, East Malling) and Elizabeth (1, West Malling). - 29 Nov 1846 Harriet Hannah HICKMOTT/Jesse BEECHER Maidstone bdm  
Parish registers show that Harriet was the dau of William Hickmott (beer retailer) [and Hannah Wingate], Jesse, a wheelwright, the son of William Beecher (a gardener) [and Mary Page]. Wedding was witnessed by Charles and Hannah Hickmott. The 1851 census shows Jesse (a 26 year-old wheelwright journeyman) living on Pizen Well Road, Watlington Kent with Harriet (23 and born at Chatham) and three children Jesse (3), Theodore (2) and Emily (1) where all were born at Maidstone. A great grandson of Harriet Hannah and Jesse Beecher, Fred Beecher, tells us that the couple 'had 11 children, 8 born in Maidstone, and 3 In Sherman, Chatuagua County, New York. In November 1857 Jesse and his eldest son Jesse W. emigrated to New York. In June 1859 Harriet emigrated with 6 children, 1 of the daughters (Emily or Fanny) died prior to this. The youngest was my grandfather Charles N. Beecher who was 18 months old at the time. Jesse Beecher died on 24 April 1865 of typhoid fever in Wilmington North Carolina. He was at the time a Private soldier In the Union Army. Harriet Hannah remarried around 1870. She died at Neodesha, Wilson County, Kansas sometime after 1875.' He later adds that Harriet's second husband was 'C. S. Bradburn, who was born in 1833, and was from Canada. When she married him the US Government took away her widow's pension, including her farm.' Born at Frittenden in 1825, James was the son of Thomas and Mary Ann Hickmott nee Wraight who were married at Frittenden in 1813. The 1851 census shows that Sarah was born at Biddenden in 1825. They lived initially at 'Chapile Cottage' in Frittenden, where James worked as an agricultural labourer. With them in 1851 were their three children: James (age difficult to read), Rachel (2) and Stephen (6 weeks) where all were born at Frittenden. They had another son, Thomas (born at Frittenden in 1853) before James' death at Frittenden in 1852. We think that Sarah died at Frittenden in 1859 for the 1861 census shows both Stephen (10) and Thomas Hickmott (8) as orphans and living at 'Dingleden Farm House' with the brothers George (44) and

William Pope (41) both of whom were born at Biddenden. Their sister Rachel (12) was living at Smarden with her uncle David Hickmott (35 year-old farmer of 50 acres and born at Frittenden) and family.
